

ADVANCED COACHING PRACTICUM

**Zoom Classes to Enhance
Breakthrough Coaching
with ACSTH and CCEU credits**

Led by MCC and PCC Coaches of
Integral Leadership & Coaching

Leadership ■ Innovation ■ Collaboration ■ Advisory

Advanced Coaching Practicum (ACP) is a *community of practice* for coaches wanting to significantly advance their coaching skills and ability to create breakthroughs for their clients.

All ACP sessions are led by master coaches trained in Ontological and/or Integral coaching.

The program offers a rich virtual learning experience where coaches from around the world learn and practice together.

Over the course of 20+ two-hour sessions, the **Advance Coaching Practicum** incorporates an in-depth, ontological approach to each of the ICF Coaching Core Competencies plus selected additional cutting-edge topics of value to coaches.

Under Graduate Classes

Classes will begin at 2:00 PM EST, 8:00 PM CET

Who is ACP for?

- ICF certified coaches who want to expand their coaching skill set while earning up to **96 CCEUs (Continuing Coach Education Units)** or **130 ACSTH (Accredited Coach Specific Training Hours)** credit hours
- Any experienced coaches who want to add ontological distinctions and practices to their toolbox. Minimum of two years of coaching experience prerequisite.
- Internal organizational practitioners that want to deepen their coaching skills or add coaching to their consulting repertoire to support innovation, positive disruption and collaboration.
- Coaches who want to earn their ICF certification through the ICF ACSTH path – ACP provides all of the necessary elements for this path to coach certification.

How ACP Can Benefit You

- **Customizable** – You can enroll for all ACP sessions or as few as four sessions of your choice
- **Flexible** - Start at any time throughout the year.
- **Credits** - Earn two ICF CCEU hours for each session you attend (3 hours if you are on the ACSTH accreditation path and complete the post-class work)
- **Mastery** - In-depth exploration and practice of the ICF core competencies with an ontological perspective facilitated by master coaches
- **Variety** - There is a range of dynamic topics to appeal to all experience levels of coaches
- **Cameraderie** - Be part of a close-knit, global coaching community of masterful coaches learning and practicing together
- **Small groups** – Most classes are 8-15 people. So you are not lost listening to some “Sage on the stage” – this is a place where you get to practice and immediately apply what you are learning!
